* Size for model Ruschitalachs not possible!

Natural stone heaters from TECHNOTHERM is a showcase example of our numerous product innovations. Living comfort and elegance are united in a unique way. This exceptional heater is a real eye-catcher, which clearly up-values your home! Its robust design comes from natural stones, which are surely the noblest interior material.

Natural stone heating TECHNOTHERM evaluates each apartment on visible.

The TECHNOTHERM natural stone heating radiates health radiant warmth, which directly reaches persons and things in the room and does not go a long way round through the air. It is not only the most comfortable heating method, but also the most healthy one since it does not require air circulation. So you can significantly reduce dust, bacteria and pollen in the air. Allergic and sensitive persons can take a deep breath.

Receiver TRF-N
